Parish Census

St Philip Neri, Dunston

St Mary's, Whickham

Immaculate Heart of Mary, Lobley Hill

This Parish Census Form has been prepared by members of the new Parish Pastoral Council to help gather information about parishioners, so that planning and improvements to what we do might be easily made. For example, if you have a particular interest it would be helpful to know what it is and how you might like to share it. On a pastoral care note, it is helpful to know who is in the parish and how to contact them. General visiting is then made so much easier if details are available. Please fill out as much as you can of this census form – the more the better! I appreciate the time taken by you to do this. Let's thank God for the wonderful parishes we have and how we might develop them in the future.

Fr. Jeff.

Have you previously completed a Parish Census form?
