

Word Sudoku

Every row, column and mini grid must contain the letters W I M B L E D O N Don't guess. Use logic.
(It maybe a bit tricky this one)

	N	W				E	B	
	I		E		W		L	
M	B			O			D	I
B			O	M	I			W
	E						I	
I			W	D	E			B
E	W			N			M	L
	M		L		D		W	
	L	I				D	O	

Rearrange the letters in the shaded boxes to show what you wouldn't want to get broken here!
